THE GOVERNMENT OF MYSORE.

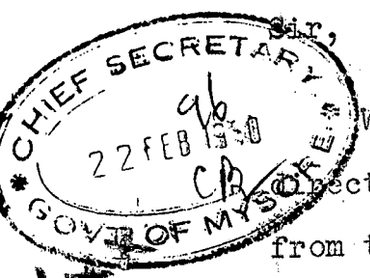
No. MRT 6041/49-50

OFFICE OF THE GENERAL MANAGER,
MYSORE GOVERNMENT ROAD TRANSPORT,
LALBAGH ROAD, BANGALORE CITY.

Dated 21st February *19* 50.

To

The Chief Secretary to the Government of Mysore,
BANGALORE.



Sir,

With reference to your No. 1122-8-30/CB291-49-1 Dated 20.2.50 directing that Sri.D.Venkataswamy will revert to the Railways from the date I assumed charge of the office of the General Manager, I have the honour to state that I am new to this work entirely. Sri.D.Venkataswamy was the Deputy General Manager for the Mysore Government Road Transport and was only Incharge General Manager. I have only relieved him of the General Manager's work on the after-noon of the 18th instant. I am entirely new to the work of the Mysore Government Road Transport and it is very necessary that Sri.D.Venkataswami remains here for sometime till I understand the working of the office and various other Departments including the technical Departments. I therefore request that Sri.D.Venkataswamy may be retained here as Deputy General Manager till the end of this month and reverted to Railways thereafter. I have also explained the Position to the Hon'ble Minister on the day I took charge and he has consented to this arrangement. I therefore request that orders of Government may kindly be obtained in the matter and communicated to me.

Yours faithfully,

21/2

GENERAL MANAGER.

Extract of paras 40 to 48 from File bearing Diary No.849/B: Regarding the Representation of Sri B. N. Sri Sathyan:

Para 40. Article 72, mentions specifically certain classes of officers who are entitled to the minimum of the grade in which they are placed, Even when they are officiating.

Para 41. Article 65 deals with "Substantive Pro-tempore" appointments. The two conditions necessary for making such an appointment are :

Para 42: (1) The permanent incumbent of the post should be absent (from the post) and should drawx no part of the pay of his appointment.

Para 43: (2) the officer who is so absent should be holding a temporary appointment, or be on deputation within the meaning of Article 55 or 57, and the temporary appointment or deputation should be for <u>six months or more</u>.

Para 44: In such a case, the officer appointed S.P.T can draw full pay without prejudice to the lien of the absentee.

Para 45: In this case, so long as the officer is shown as "acting " he is not entitled to the minimum pay of the post, but is entitled to acting allowance of 1/5 of the minimum pay of the post in which he is acting, plus his own substantive pay, the two together not to exceed the minimum of the acting post. This total in the case on hand, will not be even equal to the minimum; hence the request for being made S.P.T.

Para 46: It is considered that S.P.T. arrangements could be made, in this case, as appointment is vacant for more than six months, and no part of the pay is drawn by any other officer. If it could be made when

the officer having a lien on the appointment is on deputation or holding another appoinment, there can be no objection, unless it be a technical one, when there is no such officer at all, and all other attendent condition for making an S.P.T. appointment exist.

Para 47: An officer appointed "acting" cannot have the advantage of drawing the minimum pay of the post, Qua acting officer, unless he comes under Article 72 - M.S.R. And there are no instances of the kind.
